

Dulles Middle School

Spring Concert

Rodgers Auditorium

Tuesday, May 12, 2026

6:30 P.M.

Concert Etiquette

Band is both learning to play an instrument and the education of the students in proper concert etiquette. This evening's concert represents hours of preparation on part of both students and directors. Please review these guidelines with student and show courtesy by observing the following:

- Please turn off ringers to cellular phones and noise makers.
- Please do not speak, leave your seat or make noise while a group is on stage performing.
- Please keep small children quiet during the concert. If they become disruptive, please remove them to the lobby.
- Please hold your applause until the conductor's hands have been lowered.

Thank you for your attention and cooperation.

Join the VBB!

All Viking Band parents, guardians, supporters, and enthusiasts are cordially invited to become a Viking Band Booster member. Volunteering is not required to become a member, but if you are interested in volunteering, we will have many fun and important opportunities throughout the school year!

The Viking Band Boosters Club provides a vital role helping band students and directors. We promote the band program, greater parental involvement (organizational/chaperoning) and raise funds to meet the needs of the band program that are not fully funded by FBISD. Funds raised are applied toward student scholarships, contest entry fees, clinicians, guest artists, special event/performances, transportation, meals, music purchases, instruments, equipment, and various other needs.

Please take a moment to complete the VBB Membership Form.
